Tiverton Charter Review Commission

Proposal Request

Upon review of the current Tiverton Town Charter, I request that the Commission consider the following proposal to change the Town Charter:

| | |
|--|---|
| Change Requested | Add new item 602 (a) item 15. Item 15. Annually before the FTR the Treasurer shall collect the casino gaming revenue and place it in three equal designated accounts for town use. The accounts shall be: 1.) Capitol Improvement 2.) Unreserved General Fund and 3.) Tax and Debt Reduction. Spending from these accounts will be limited to its designated revenue category. No sharing of dollars from one category to another is permitted. |
| Describe why the Requested Change is needed | Gaming revenue, which will be a substantial adder to Tiverton's annual budget is a new revenue stream and needs to be managed in a responsible way, without interference from non-transparent groups. |
| Describe the effect of the Requested Change | Gaming revenue will be used for approved and well thought out budget areas which will enhance Tiverton's Community, safety and livability, without burdening our taxpayers |
| (optional) List Charter sections effected by Requested Change or New Section | |

Submitted forms will be considered a matter of public record and subject to public inspection.
