Experts recommend that you review and update your estate plan every 5 years, or whenever a major life or legislative change occurs. Does your plan still reflect your family situation and current goals? Do your accounts reflect the right titles, beneficiaries, and fiduciaries? Need to make any changes in light of recent or upcoming changes in the law? Please check out our May eblasts for more information, or discuss with your service team at your next meeting!

Information

Account Value and Performance

Security prices and income projections shown have been obtained from sources believed to be reliable. However, we cannot guarantee their accuracy or that securities can be bought or sold at these prices. In addition, this report provides a total account view and may include unmanaged, or client-directed assets which may be taken into account for both market value and performance. Using diversification and asset allocation as part of your investment strategy neither assumes nor guarantees better performance, and cannot protect against loss of principal due to changing market conditions. International investing involves special risks such as currency fluctuations, lower liquidity, political and economic uncertainties, and differences in accounting standards. Past performance is no guarantee of future results. Investment returns and principal values will fluctuate so that an investor's shares when redeemed may be worth more or less than their original cost.

Account Safety and Correction of Discrepancies

Please review your statement carefully and report any discrepancies promptly to your Wealth Management Client Services Representative at the number provided on your statement. It is recommended that you confirm any oral communications in writing by sending Washington Trust Wealth Management (hereinafter referred to as "WTWM") a letter within ten (10) days of receipt of your statement.

Bond Amortization

The premiums on all applicable bonds will be amortized. If you chose not to amortize the premiums, please contact your Wealth Management Client Service Representative at the number provided on your statement.

Brokerage Transactions

WTWM may receive investment related services from brokerage firms in exchange for brokerage transactions directed to those firms. Brokerage commissions are charged to the account at cost on all equity transactions.

Changes and Updates to your Account Information

Please contact your Wealth Management Client Service Representative at the number provided on your statement if you have any changes in your contact information or if you wish to impose any reasonable restrictions on the management of your account(s) or modify any existing restrictions.

Changes and Updates to your Financial Situation or Investment Strategy

It is important to periodically review your investment objectives so that your investment strategy remains appropriate to your personal investment goals, spending requirements, and financial, estate, and tax planning needs. Your statement includes the investment objective currently assigned to your account(s). Please contact your Wealth Management Client Service Representative at the number provided on your statement to notify us if there have been any changes in your financial situation, investment objectives, or risk tolerance.

Fees and Charges

The "Fees and Charges" amount shown on your statement includes all activity fees consistent with your fee agreement.

Information (continued)**Foreign ADR**

Foreign Corporations that wish to have their securities traded on U.S. stock exchanges, issue American Depository Receipts (ADRs), which make the foreign securities more accessible to U.S. investors. If your portfolio holds foreign securities, such securities will be held in ADRs. Foreign governments may impose withholding taxes on the gross amount of foreign dividends sourced to their countries. These withholding requirements may be subject to modification under certain tax treaties, depending on the country of origin of the issuer of the stock underlying ADR. Please consult your tax advisor for advice regarding the tax options applicable to your situation.

Individual Retirement Accounts - Reporting Fair Market Value

The fair market value as of December 31st will be reported to the IRS as required by law.

Individual Retirement Accounts - Withholding on Distribution or Withdrawals

Federal tax law requires WTWM to withhold income tax on distribution(s) from your taxable retirement accounts by electing a percentage or fixed amount to be withheld from your distribution unless you elect not to have income taxes withheld. If you do not have enough income tax withheld from your distributions, you may be responsible for the payment of estimated tax. You may incur penalties if the amounts withheld and your estimated tax payments are not equal to your tax obligation. State withholding, if applicable, is subject to the state's withholding requirements.

Mutual Funds

The dollar amount of Mutual Fund distributions, Money Market Fund dividend income, Bank Deposit interest income, or dividends for other securities shown on your statement may have been reinvested. Although a money market mutual fund (money fund) seeks to preserve the value of your investment at \$1 per share, it is possible to lose money by investing in a money fund. Pursuant to applicable regulation, account statements will be produced monthly or quarterly. Balances in Federal Deposit Insurance Corporation (FDIC)-insured bank deposit sweep products are not protected by Securities Investor Protection Corporation (SIPC).

Privacy Statement

WTWM is committed to maintaining the confidentiality, integrity and security of your personal information that is entrusted to us. The Washington Trust Company Privacy Policy will be sent to your address on file in the event there are any material changes to the policy, or if we change any of our sharing practices. To obtain a copy of our current Privacy Policy, please visit our website at www.washtrustwealth.com or contact your Wealth Management Client Services Representative at the number provided on your statement.

Tax and Withholding Election Notice - IRA and Pensions

Distributions that are not subject to income tax – such as trustee-to-trustee transfers and qualified Roth distributions – generally are not subject to federal income tax withholding. For IRAs, taxable distributions you receive from your IRA generally are subject to 10% Federal income tax withholding, unless you elect otherwise. You are responsible for determining and paying all Federal, and if applicable, state and local taxes on distributions from all IRAs you own. You may waive withholding, or withhold a different amount, by returning a signed and dated Withholding Certificate. Your election is valid until you change it, and you can do so at any time by completing a new Withholding Certificate. (Please note: if you do not have enough Federal income tax withheld from your IRA

For qualified pension plans (like 401(k) plans), taxable distributions you receive which are eligible to be rolled over to an IRA or qualified plan – generally everything other than required minimum distributions - are subject to a 20% default rate of withholding, which cannot be waived or reduced.
