

Recycle Your Fluorescent Light Bulbs

Supported by
RI Clean Water Fund
And the
RI Department of Environmental Management

Tiverton residents you may bring your mercury
containing fluorescent light bulbs to

Humphrey's Building Supply Center
590 Main Road
Tiverton, RI

Humphrey's is offering residents a free collection service
for burned-out compact fluorescents (CFLs) and linear
bulbs up to 4 feet in length.

No more than 5 bulbs per visit.

The store will ship the waste bulbs to a recycling facility.
