**Proposal Request Change**

Upon review of the current Tiverton Town Charter, I wish to request that the Commission consider the following potential change to the Town Charter:

<p><b>Change Requested</b></p>	<p>Issue for consideration- Language to ensure that the Town Council shall budget sufficient funds for the CRC Commission to carry out its duties.</p>
<p><b>Describe why the effect Requested Change is needed</b></p>	<p>Reason for consideration: Charter is silent on this issue. CRC had no money budgeted by the town to carry out its duties.</p>
<p><b>Describe the effective of the Requested Change</b></p>	<p>There will be funds allotted in the budget to pay for matters deemed necessary to carry out it's duties.</p>
<p><b>List Charter sections effected by Requested Change or New Section (optional)</b></p>	<p>Article XII Miscellaneous, Section 1205 (a), Charter Review Commission.</p>

**Submitted forms will be considered a matter of public record and subject to public inspection.**
