Easter Specialty Farmers Market – A Day of Family Fun Awaits in Tiverton

Sunday, March 24th, 10am - 2pm

TIVERTON, RI – Mark your calendars for an early Easter celebration like no other. The Tiverton Farmers Market is excited to announce its Easter Specialty Market, scheduled for **Sunday, March 24th**, from 10am to 2pm at the Tiverton Middle School. This unique event promises a fun-filled day for the entire family, offering a glimpse into the local community's rich artisanal culture and vibrant food scene.

The market is setting the stage a week ahead of Easter, ensuring families can revel in the festivities and still enjoy the traditional holiday together at home. With over 50 vendors expected, the Easter Specialty Market will showcase a vast array of products, ranging from seafood & meats, artisanal foods, a variety of international dishes, prepared meals, fresh produce & fruit, baked goods, pottery, jewelry, linens, pet foods & treats, to garden art, and much more.

The Tiverton Farmers Market continues to be a pivotal gathering place, bringing together the best of local food, art, and entertainment. Don't miss this chance to support local artisans, indulge in delicious food, and create lasting memories with your family at the Easter Specialty Market.

In addition to shopping, families can look forward to the Easter Scramble Kids Activity, a delightful egg hunt with an educational twist. Sponsored by The Bay Magazine, this activity invites children to collect eggs from participating vendors, each containing a letter. Their goal: spell out "Wild Scramble". Success rewards them with a grab bag of candies and treats. This engaging activity is limited to the first fifty children, ensuring an exclusive treat for early birds.

Attendance is free and the market is open to the public, making it the perfect opportunity to experience the heart of Tiverton's community life. Due to local school regulations, guests are reminded that only service animals will be permitted on the premises. Located at 10 Quintal Drive, the Tiverton Middle School is an accessible venue, offering ample space for vendors and visitors alike.

Guests can also look forward to enjoying original and live music by Justin Sampson, adding to the market's vibrant atmosphere.
