

Community Services Coordinator –Part Time

Tiverton Public Library seeks an individual to recruit and oversee volunteers, plan and coordinate public programs designed to engage community members, with responsibility for publicizing these programs using social media, the library website, flyers, press releases, and other online and print resources.

Qualifications include a Bachelor's degree with two years' public library and volunteer supervision experience or equivalent. Experience with social media and web content, as well as excellent written and communication skills, highly desired.

This is a 25 hour a week, non-benefited position. Salary range starts at \$ 23,400. The position requires some weekday evenings and Saturday hours.

Initial review of resumes will begin the week of October 17, 2016. The position will stay open until the appropriate candidate is found.
