PRESS RELEASE FOR IMMEDIATE RELEASE

June 1, 2022

CLEAN UP TIVERTON FOR COMMUNITY SERVICE HOURS

For those in need of Community Service hours, picking up litter is the perfect activity! We can provide you with free gloves and trash collection bags that will be accepted at no fee at the Tiverton Land Fill. You pick your location(s) and document your hours.

Documentation includes letting us know the number of hours, how many bags were filled, and the areas cleaned up. We also ask that you provide us with before/after photos, or, photos of individuals or groups involved in the clean up so that we can share on our social media to get more people involved. Volunteers under 18 must be accompanied by an adult for safety and to vouch for community service hours. We will than provide whatever documentation you need for completion of service. For more information contact Victoria Revier, Litter Committee Chair at vjrevier@gmail.com or Diane Sunderland at 401-624-8207.

Remember that litter does not go away once Earth Day has passed! We need to stay vigilant in both pick up and education to the community. The State of Rhode Island has recently launched a web site to advocate for the need to keep our beautiful state clean, and to provide resources to those who want to keep it that way. The site is https://litterfree.ri.gov/

In addition to a Community Service program, bags are always available at the Tiverton Library during regularly scheduled hours for those signed up to be on the volunteer pick up list. If you wish to volunteer, you can contact the Litter Committee to sign up for the list. All information about the Tiverton Litter Committee is available at: https://linktr.ee/CleanUpTiverton.
