OSPREY Multi-Day Paddlesports Program:

Keep your kids moving & having fun with our Summer Paddlesports Programs. Kayaking & Stand Up Paddling will help improve your child's balance, confidence, and awareness of their natural environments all while having a ton of fun. Our experienced instructors teach kayaking and SUP skills & safety through a variety of games, group activities, and exploration all presented in a way that's appealing to their age group and skill level. We make it easy so they come away feeling empowered and successful their first day! We do not require that children are strong swimmers but, we recommend they are comfortable being in the water to ensure fun experience – everyone wears a lifejacket – all the time.
